

THE 1941 MAROON

Patricia Owens

THE 1941 MAROON

1941 MAROON

The staff of 1941 offers in this Maroon a presentation of the aim of Elgin High School: to encourage individuality by instilling in each student faith in himself and confidence in his ability to win happiness and success in life by the development of his talents and initiative.

THEY PUT THEIR FAITH IN YOUTH

Foreseeing the need for an advancing educational system, they made sacrifices that we might have the opportunities which only an expanding program can give. While planning a more comprehensive curriculum, they realized that a school must offer adequate training in academic, vocational, and social activities. Consequently, they made provision for enlarging all of these fields.

For their farsightedness in providing the facilities and personnel that would insure a broader educational program for present and future generations, we, the Senior Class, dedicate this 1941 Maroon to the citizens of Elgin.

DESIGN FOR DEVELOPMENT...

This school year marked several new and important advances in the curriculum of Elgin High School. There was a very definite development of an orientation course in the industrial arts department, a Pan-American unit introduced into the American history course, and a year in Spanish added to our foreign languages. Visual Education, also, made a step forward in the progress of our school.

OUR ALMA MATER

A picture of Elgin High School impressively presents a beautiful and trim landscape. The high school park with its walks and trees lends grace and dignity to the surroundings.

BOOK ONE

MENTAL PROGRESS

FORWARD! let us have new ideas, initiative, creative ability -that is the cry at Elgin High School, for these are the things which make for progress. Through them we find new discoveries; new inventions; and opportunities for better, happier living. Through them America marches on.

Oral F. Patterson
Superintendent
B. S., M. S. University of
Illinois

ADMINISTRATION

Good work and its efficient execution, and the effective are the main duties of our efficient administrators. Mr. O. F. Patterson, Superintendent and Mr. Merrill R. Stephan, Principal, are the two main administrators of the school. They are both very experienced and have proved themselves to be very efficient. We can always rely on their friendly co-operation and understanding.

Mr. T. A. Larsen, our assistant principal, shows a real interest in his work. He is very efficient and has proved himself to be very efficient. He is very friendly and helpful to the students to solve their problems by conferring with them personally.

The Student Council, our student-governing body, is very successfully directed by Miss Adah Pratt.

In Memoriam

CHARLES SEROCK

February, 1876—October, 1940

Unassuming, but always dependable, quiet, but always courteous, faithful, and honest—Mr. Charles Serock, our E. H. S. night watchman for thirteen years, deserved the respect which teachers and students had for him. His passing brings sorrow to all of us. Our best tribute to Mr. Serock is in our recognition of his virtues. His was the task of watching while others slept. Now he sleeps while others watch.

SENIOR CLASS HISTORY

The best class of Egan High School was introduced to a class adviser, E. C. Waggoner.

The future class of 1941, numbering two hundred and ninety five students, entered the doors of E. H. S. in 1937 and soon took a lively part in athletic, debate, and music, and on the school publications. Marilee Barn, Courtney Krich, Dorothy Radke, and Howard Wilbern represented the freshmen on the Student Council.

As our Alton Mater expanded, our class expanded, too. Seventy five mid year students entered from Abbott School. Ours was the first sophomore class to organize. Mildred Rein was class president, Dick Dorsey, vice president, and Mary Lynn Miller, secretary. Student Council members were Tom Bantke, Marilee Barn, Courtney Krich, and Mary Lynn Miller.

Reinforced by one hundred and ten Abbotians, the seniors in their navy blue and gold sweaters, accepted new responsibilities. The class was led by Gordon Banks, president, Howard Meadows, vice president, and Merna Ferris, secretary. Mildred Rein served as vice president on the Student Council. The theatrical production, "My tent at Green Riders," was presented in April. The Junior-Senior Prom brought to a close the activities of our third happy year at high school!

In our last but most enjoyable year, the officers were Bob Connell, president, James Butler, vice president, Virginia Garber, secretary, and Mr. Waggoner, adviser. An evidence of the fine work of every member of the class is reflected in the record of the class party after lunch when the dramatic play, "You Can't Take It With You," was staged. Later in the year, on College Day, many of the seniors had individual conferences with representatives from the different colleges.

Gordon Banks headed the Student Council, and Betty Ferris was treasurer. As our high school days came to a close, committees for the rehearsal of activities were named. Finally, the class career baccalaureate, the prom, and commencement ended activities at Egan High School for the four hundred thirty five students graduating in the largest class in the history of the school.

BOOK TWO

PHYSICAL FITNESS

TRIANGLE with one side missing is not a triangle, and a person who has never thrilled at being a part of some sport is missing a vital side of life. Our physical fitness helps us to "play the game" as this game of life becomes more complex.

MENTORS

The coaching ability of our athletic directors has placed E. H. S. in top positions in most sports. Without these men to "oil" the parts, the "machinery" of our athletic department could not run so smoothly as it does.

Arthur Roggen, John Kraft, and Mike Farroh also that the gym classes and health classes operate so efficiently.

Mike Farroh produces our fast-moving, fighting varsity football squad and coaches our soph basketball team. His basketball team won the Big Eight championship this year.

John Kraft coaches our important basketball squad. During the football season, he is on the gridiron with the freshman and sophomore football boys as their director. Both of these

teams tied for the Big Eight champion-

ship. Morrill lends a hand in training the fellows to become expert in varsity basketball, varsity football, and track.

boys some day.

Each spring on the tennis courts, one sees "Gil" Renner training his team to hit that elusive ball over the net.

Noel Winn has charge of freshman football and basketball and shows our varsity golf team how to shoot low scores on the fairway.

As for wrestling, this year introduced for the first time in the school sport.

Banks, halfback

Coleman, tackle

Mapes, fullback

scoreless tie. George Coleman's fine defensive play was greatly responsible for Elgin's splendid winning.

Returning home, the Maroons lost another close game to the East Aurora Tomcats, by a single point.

Next, Elgin traveled to Freeport. There, sparked by Milt Rein's long runs, they twisted the Pretzels decisively.

At home again, they played West Rockford. This game marked the return of Gordon Banks; and although Banks had not fully recovered from an injury received at LaSalle-Peru, he went into the game and threw a 45-yard pass in the arms of Milt Rein which placed the team in scoring distance to the goal for what proved to be the winning score.

They closed the football season by traveling to East Rockford and tying the fighting Rabbits.

This game marked the final appearance of four varsity letter winners. They are Gordon Banks, George Coleman, Harry Richardson, Del Johnson.

Bob Connell, Milford Rein, Don Hernandez, Art Mapes, Bill Schultz, Ronald Ekstrom, Jim Nesler, Dave Koch, Tom Bonnike, and Dick Dorsey

Milford Rein, the first Elgin player to be so honored, was for the second time chosen the most valuable player on the team and was also selected as All-Conference quarterback. Co-captain George Coleman was selected as an All-Conference tackle; Bob Connell, as center on the All-Conference second team. Junior end, Hawley Michael, was accorded honorable mention.

Although the squad did not make the best record in scores in the history of Elgin High, it was one of the best spirited teams the school has ever seen. Elgin High School has a right to be proud of her fighting Maroons.

Scrimmage

Here it comes!

FRESHMAN

The year 1940 saw Elgin represented by a Freshman-Sophomore football team for the first time, as the Big Eight Conference, formerly the Big Seven, abolished Lightweight squads and substituted Freshman-Sophomore teams

John Krafft, former lightweight mentor, coached the Frosh-Sophs to a three-way tie with LaSalle-Peru and West Rockford for the conference championship

In the season opener, the Frosh-Sophs justified pre-season hopes when they played Glenbard. Although they failed to score, they played a strong defensive game and held the more experienced Glenbard team to a scoreless tie. In the next game with Maine they showed a marked improvement by holding their opponents scoreless

These two games showed that the Frosh-Sophs had great possibilities, which raised high hopes that a Krafft-coached football team would win its third consecutive conference championship

Elgin opened the Big Eight campaign in the game against Joliet, and started on the way to the conference title. The team held the opposition scoreless while running wild themselves to swamp the Steelmen by a large margin

The following week West Aurora in-

The Frosh-Soph
Team

SOPHOMORE FOOTBALL

vaded Maroon Field that afternoon, the Maroonettes played a fine defensive game which kept them from losing.

In the next game Elgin's championship hopes were hindered a setback when the favored Maroons bowed to a fighting team of Elgin. Returning to Maroon Field, the Maroonettes bounced back into the conference when they unleashed a swift attack and whipped the East Aurora Kittens by a substantial score.

Next the Maroonettes traveled to Freeport; and while they scored only one touchdown, it was all that was needed to turn back the determined Pretzels. Fighting to stay in the championship race, Elgin earned a victory over a strong West Rockford team.

The Frosh-Sophs rang down the curtain on a most successful season by traveling to Rockford and beating East Rockford by a large score, to clinch a share of the Big Eight Championship.

TOP NOTCHERS

The E. H. S. basketball team won another championship, but this time they had to share the honor with East Rockford and Joliet. Although this was the first year that Krafft coached the major team, it was his third championship in four years.

After losing the season opener to West Madison, Wisconsin, the team won nine out of the next twelve games; eight of these in the conference. The only conference defeats came from LaSalle-Peru and Joliet. They beat Joliet in their first encounter. The team also lost to Decatur but defeated the strong Proviso team.

Probably the main reason the team won the championship was through the scoring ability of Paul Chapman. He not only set a new E. H. S. scoring record but also won the "Big Eight" scoring crown by tying the all-time conference record of 140 points in ten games.

This is the first year that a minor basketball team in the H. C. C. has won an undivided championship. This year is also the first that the team has won a championship in the district.

The Frosh-Soph team won ten out of twelve games. The losses were won from the Joliet team. They were defeated only by the Joliet team. Although they won their games, the loss to Joliet was the only one. The team had a team coach, the Joliet team, and the Joliet team was the only one.

The team all worked together, and with this team work, and fine coaching, the team turned out a successful team. To Dave Kiburn went the honor of being the honorary captain of the Frosh-Soph champs.

COURTS AND FAIRWAYS

In 1940 Elgin's tennis team, coached by Gilbert Renner, had championship capabilities, but it was unable to complete its schedule because school closed a month early. Out of five conference meets, the team won a total of twenty-one matches to its opponents' four.

The 1940 net men were Captain Duane Mull, Captain-elect Dick Price, Charles Lindquist, Jack Traeger, Jim Barker, Roger Livesay, and Lawrence Allison. Ray Strohm, Norman Johnson and Bob Parrott also saw action.

The outlook for the 1941 season is bright with all but three lettermen returning and all the players improving under Coach Renner's all-seeing eye.

In the fall intramural tournament, Dick Price came out on top.

The Maroon and Cream golfers had a successful season in 1940; but because of the curtailed school year, the team had a shortened schedule and could not compete in the conference tournament.

The Elgin High School golf team was coached by Noel Winn. It was made up of Captain Dick Haligas, Captain-elect Bob Thoren, Walter Durham, Bob Crane, Bill Rasmussen, and Bob Stevens.

On our home courses, the Maroon swingers beat both East Aurora and West Aurora; but in return matches they lost to these teams. Elgin placed second in the district tournament, the meet being won by Rockford. Walter Durham qualified for the state tournament at Peoria, where he finished 11th.

Down the Stretch

CINDERS

Elgin track team, directed by Arthur F. Johnson and Charles Merrill, won three of the four district meets, 59 1/4 to 53 3/4, and the conference championship team, 59 1/4 to 53 3/4. The track results for 1940 were as follows:

April 16	East Aurora—42 points	Elgin—71 points
April 23	Glenbard—45 points	Elgin—73 points
April 27	Rockford—59 1/4 points	Elgin—53 3/4 points
May 4	DeKalb—43 points	Elgin—70 points
May 7	Elgin won second place in the County Meet	
May 11	Elgin came in sixth in the District Meet	

Proviso, the state champion team, won first place in the District; Oak Park, second; Morton, third; York, fourth; and La Grange, fifth.

Jack Brown with 48 points can be rated as one of the greatest district men in the history of Elgin High School. Prior to his first track season and during the Rockford meet, he undoubtedly would have set new records in the cinder track meet. Other outstanding men were Paul Thompson and M. J. Ryan with 55 and 53 points respectively.

"Milt" Rein, pole vault, broad jump, and relay man, returned as captain of the 1941 team. Other lettermen included Paul Thompson in road and high jumps, Bill Zenger in broad jump, dashes and relay, Jerome Schroeder in relay and high jump, Carl Schroeder in pole vault, and Mike Sullivan holder of the county record for low hurdles.

A ten meet schedule was planned for 1941 and Mr. Ruggen and Mr. Merrill predict a successful season.

GIRLS SPORTS

From the first day of the school year to the last, a varied and well-planned program of extra-curricular activities unfolds under the excellent leadership of Miss Wilda Logan, director of girls' athletics, and Miss Helen Kettering. The season is officially opened with a mad dash from the high school building to Maroon Field, where the girls can be seen warming up for a swift and exciting game of hockey. The cry of "ground-sticks" is heard, and the game is on.

As the sports program continues, a winter season of basketball is in order. The inter-class tournament and the tele-

graphic shooting contest are annual events that all the girls look forward to. Whenever "Old Man Winter" smiles on Elgin, the girls take advantage of the weather and turn out for ice skating at Lord's Park and tobogganing at the Elgin Country Club. Many are the spills and thrills, but E. H. S. girls can take it. Other sports offered during the winter season include volleyball, table tennis, captain ball, shuffle board, and badminton. On Friday afternoons table tennis and badminton are enjoyed co-educationally, the venture proving to be a decided success, judging from the large number of boys and girls who take advantage of this ideal recreation.

GIRLS SPORTS

As the new term begins, the girls are seen diving to their feet, scrambling to their feet, and scurrying about the court for team game. They are seen diving to the ground as the whistle blows, for the first game of basketball. Some are seen diving to the ground, some are seen crouching under the ball, and the blood-letting begins on.

On the other side of the gym a game of volleyball is underway. As the girls are seen diving to the ground and more excited and excited, they are seen diving over the net, they are seen diving to reach the ball, and they are seen diving with a show of sportsmanship, characteristic of school girls, they straighten out their teams and continue with this exciting game.

Not only may the girls participate in the game, but they may also enter the game. Keep your eye on the girls, the popular phrase of the game is girls challenge. They are seen playing the game. Co-ordination of mind, eye, and arm is a necessary quality, soon developed by good players. Whether beginners or experts, girls always enjoy this game. The "Modern Miss" may also try her hand at table tennis, for this, the most popular place in girls' sports. The program includes such as acrobatics, gymnastics, and hockey, and the girls are seen doing in the game. For every girl. The latch-keeping and the game are all

GIRLS FIELDHOUSE

When school opens in the fall and the girls are getting back into the swing of school, the fieldhouse at Maroon Field is officially opened by Miss Logan. As it becomes the center of sports activities, its walls echo with the cheerful chatter of the girls as they rest after a few hours of play. While outside, the more energetic carry on with cries of "Strike three! You're out!" and "Home run!" formal and friendly gatherings, whether out on the field or inside the fieldhouse, allow the girls to exchange their ideas on many subjects. A few of the more domestic seniors often fix up a snack in the well-equipped kitchen.

With the coming of the fall, the girls once again troop down to Maroon Field where fun for everyone awaits, in the form of archery for junior and senior girls, and the ever popular baseball and hockey for everyone. Here again sportsmanship and friendly co-operation prevail.

BOOK THREE

SOCIAL DEVELOPMENT

YOUNG enthusiasts intently working on their hobbies, young couples smiling as they dance, and youthful choristers singing are a few of the scenes that make the picture of our school complete. Such wholesome comradeship helps to make life happier and more worth while.

Maroon Editorial Staffs

PUBLICATIONS

THE MAROON

Under the helpful guidance of Miss Nora Sticks, manager, and Miss Marjorie Stottregen, assistant, the Maroon editorial staff carried out the entire editing of the annual. The work is divided into four main groups: write-up, art, and photography. Student leaders of the editorial staff were Marilyn Daniels and Jim Chapman, editors; Marjorie Lucas, Virginia Garber, and Homer Price, associate editors; Bill Harrison, chief photographer; and the Art Staff.

Other members of the staff were Charlotte Dittman, Faith Lonnquist, Fern Schoonhoven, Mila Johnston, Edith Dunning, Cecile Eshelman, Charlotte Andrews, Lynn Fisher, Gay Allen, Warren Larson, Gerard Freeman, John Moore, Bill Jones, Ed Johnson, Pat Peterson, Kenneth G. and Marie Beverly, Ed Graham, Len Lee, Betty Price, Marvin Freeman, William Foster, Leonard, Frances Paul, Dorothy Dierking, Gladys Kilgore, Ruth Owen, and Anne Michel.

Under the direction of Frank Brown, manager, Walter Wilson, assistant, and George Coleman, manager, the business staff kept up a relentless campaign for patronage and student subscriptions. The business staff included Vincent Fort, Len Foster, Emma Spitzer, Mary Lynn Miller, Gloria McLean, Barbara Connor, Lillian Gray, Lucille Woodruff, Harriet Wilson, Patricia Owen, Patricia Foster, and Ora Central.

THE MIRROR

What goes on here at Earl High? The students and teachers of E. H. S. have only to read the Mirror to find a highly interesting answer. This weekly paper presents the news of events that take place here, and a great deal of cooperative work on the part of the members takes place.

The staff this year was headed by Marjorie Hall, editor; Catherine Nelson and Virginia Coorne, associate editors; Evelyn Nerge, Bill Hansing, and Elizabeth Fletcher, editorial assistants; Marilyn Edwards and Ann Lyons, feature editors; Lawrence Adams, sports editor.

John Nelson, Charlotte Fisher, L. J. Peterson, Joan Mader, Marion Mertes, Esther Hanson, Wallace Mader, and Ann Nelson were the writers; and Marjorie Hall, associate editor, Marilyn Edwards, Robert Purcell, Janet Howard, and Jeremy Johnson were the artists.

For the year, the Editors-in-Chief were Frances Ryan, Patt Dreyer, Anne Fisher, Mary, Joan Bay, Ralph Kever, Eileen Klinger, Juanita Vasquez, Rosa Holzman, John Damisch, Roma Austin, and Dorothy Kupper were the reporters. Eddie Anderson, Lois Shamberger, and Dick Clendenina were the cartoonists.

Jack Traeger, was business manager. Fern Hadju and Anne Peven, advertising managers; Anne Steffen, Marjorie Hall, and the Mader family, Schmidt, and Jane Schrader, advertising associates. Bob Krohn, circulation and exchange manager, Bob Dieterich and George Fox, assistant. Gladys Schmidt, Alice Welch, and Virginia Anderson were typists; and Pearl Peterson was the printer.

PUBLICATIONS BOARD

The Publications Board supervises the activities of the Marjorie and the Mirror. This year they sponsored a home program. Based at Education.

The officers were Merrill R. Stephan, president, Leonard Fisher, vice-president, Mrs. Margaret Newman, secretary, Walter Wilson, treasurer the first semester; and Frank Brigg, the second.

Other members were Miss Nora Stickling, George Coleman, Marjorie Nish, Marilyn Daniels, James Chapman, and Jack Traeger.

FORENSICS

Again, the E. H. S. forensic squad has had a successful season, both in debate and in individual speech events. Their achievements were especially noteworthy because every member was relatively inexperienced, having never before been in varsity competition. However, this success would not have been possible without the guidance and direction of Roscoe Cartwright, head coach, and Elvin Hedqecock, assistant.

Elgin attended a number of invitational debate and speech tournaments in addition to participating in the Big Eight Conference Debate and Original Speech Tournaments, the Northern Illinois District National Forensic League Tournament, and the Illinois High School Speech League Tournaments, showing splendid records in all.

The squad won second place in the Big Eight Conference with nine victories and three defeats. Their peak performance was reached when they captured the National Forensic League District Championship and defended their title which had been won the previous year.

Big 8 Conference Debaters

NATIONAL FORENSIC LEAGUE

In recent years an organization little known to those not connected with forensics has come into prominence in the United States. It is the National Forensic Institute. The Institute is the result of a merger of the American Association of Forensic Scientists and the American Society of Forensic Scientists. The Institute is a non-profit organization with five hundred chapters. The Institute is a national organization with directors elected by the five hundred chapters.

For the purpose of developing the student's ability in speaking; original oratory; and oratorical, dramatic, and humorous declamations. Participation in these events will be given credit points, and it is not necessary to win in order to get credit points, as credit is given for participation. For credit the student must be in the first and second place in the original oratory, dramatic, and humorous declamations, and in the first place in the oratorical declamation. The student who is in the first place in the original oratory, dramatic, and humorous declamations, and in the first place in the oratorical declamation, will receive the Degree of Excellence; and one hundred and fifty, the Degree of Distinction.

National Champs 1939, 1940

ELGIN'S OWN

The Elgin High School Band under the direction of Mr. U. K. Heene is an organization of which we may justly be proud. It has been undefeated in state contests for the past six years, and last year received superior rating at the national contest in Battle Creek, Michigan.

The band is divided into two groups; the first or concert band, and the high school junior band, which plays as a unit and often augments the concert band.

Both the student and the public are given many opportunities to hear the band. It plays at all school assemblies and at the Elgin Festival. This year it took part in such civic affairs as the Community Chest Parade, the Defense Day Program, and holiday parades. In addition, the band has three formal concerts every year; the fall concert was held on December 3, the midwinter concert on February 11, and the spring concert on March 25.

New uniforms were purchased this year for the concert band from the proceeds of the Lions Club Show. The band provided music for the show, and the Lions Club members were guests at the midwinter concert.

The officers for the past year were Fred Bell, president; Edward Peterson, vice-president; Ann Pearsall, secretary-treasurer; Robert Dietrich, manager; Ruth Kluender, Joyce Ogden, and Barbara Copely, librarians; and Joyce Ogden, drum major.

Treble Choir

Boys Glee Club

HARMONY

THE ORCHESTRA

After a year of activity, the orchestra members and their director, E. H. S. Smith, have achieved an impressive record. The orchestra has been directed by Mr. Smith since the beginning of the year. The orchestra has been an ever-better orchestra for our school.

The activities for the year were begun in September, with a scavenger hunt and supper. November brought a thrill to two of the E. H. S. orchestra members who were selected to participate in the district contest. The orchestra was selected to participate in the All-School Orchestra Contest at Uthmaniyah. The orchestra played at the Madras Club and presented a concert at the school in December.

A trip to the City of the Future, Singing Orchestra, was the main event of January. The orchestra was selected to participate in the district contest in February. The orchestra was selected to participate in the district contest in March. The orchestra was selected to participate in the district contest in April. The orchestra was selected to participate in the district contest in May.

The new uniform blouses acquired this year marked a step forward in appearance for the members of the orchestra.

The president of the orchestra was elected Lorraine West, vice-president, Guy Asher; and secretary-treasurer, Carolyn Bennorth.

A CAPPELLA CHOIR

When the first year of the school year opened the students of the A Cappella Choir were organized. The choir was composed of students from all grades and was organized by the music teacher. The choir was organized in the fall of the year and has since that time been a part of the school program. The choir has given many performances and has been very successful in its work.

The A Cappella Choir is a group of students who sing without the aid of instruments. The choir is composed of students from all grades and is organized by the music teacher. The choir has given many performances and has been very successful in its work.

GLEE CLUBS

A school glee club is a group of students who are interested in music and who are organized to perform songs and other musical numbers. The club is usually composed of students who are interested in music and who are organized to perform songs and other musical numbers.

The Aeolian Glee Club is a group of students who are interested in music and who are organized to perform songs and other musical numbers. The club is usually composed of students who are interested in music and who are organized to perform songs and other musical numbers.

These clubs are directed by Mr. [Name] and are a part of the school's musical program.

At several times during the year the clubs are asked to perform at school assemblies and other school events. The Aeolian Glee Club has performed at several school assemblies and other school events.

STUDENT COUNCIL

Miss Adah Pratt, Gordon Banks, Mr. Frank Briggs

The Student Council made up of the executive committee and representatives elected from every home room. The executive committee includes the four runners-up and the presidents of the home room, promote, art and music classes. Members of the executive committee this year were: Gordon Banks, president; Cecile Estreman, vice president; Jane Wallinger, secretary; Betty Poole, treasurer; and George Coleman, Dick Peterson, Stanley Adams, Jack Traeger, Bob Conrad, Jack Apple, and Archie Ben. The sponsors were Miss Adah Pratt and Mr. Frank Briggs.

There were two main projects of the Council this year, one, promoting and handling the student activity ticket, which included a subscription to the Mirror and to the lyceum programs, the other, editing of a student year book with the home room classes. The Council has sponsored a dance a month, for only high school students, and every dance has proved successful.

The lyceum programs were very interesting, the entertainers were Miss Arlette Smith, Olympic diving champion, N. Karim, E. Clavre, who told about life in India and displayed native Indian costumes; Jesse E. Lyle, Robertson demonstrator and lecturer on ancient musical instruments; Karl H. Maslow, naturalist, who lectured and showed technicolor movies of wild life; Georgia Bailing, demonstrator of Latin folk songs and dances; Robert Krummayer, who gave a talk on Americanism, and Captain Theodore Stern, who gave an actual demonstration of the lie detector.

Student Council

Detective Crowther questions

Is it loaded?

"MYSTERY AT GREENFINGERS"

When Miss Mary Bern Mayberry first questioned the jury, they were all asked if they had seen the play "Mystery at Greenfingers," a comedy-detective written by J. B. Priestly, which was given on April 26, 1940.

The story centers around a murder in a modern-day hotel. The detective, Crowther, is called in to investigate. He finds that the murder was committed in the hotel, by a woman named Mary. They find out that the woman was a married woman and appeared to be a hotel employee. They supply the answers.

The cast included Miss Mary, a clever detective, and a group of people who were involved in the murder. The play was a comedy-detective, and it was a very popular play. The cast included Miss Mary, a clever detective, and a group of people who were involved in the murder.

except men, Barbara Spitzer, Mrs. Rose, the hotel staff manageress, Helen Louise Brady. Robert Crowther, the hotel company's detective, James McLaughlin, Fred Poole, the cocktail barman, John Muetterties; Arnold Jordan, hotel chef; Walter McBride; Keith Henley, assistant hotel manager, Robert Pease; and a voice off stage, John Geister.

Credit for a fine performance went not only to the cast but also to the backstage committees for their cooperation.

The play was selected because it was a modern play with a different mystery angle and also because it took a short time needed to produce it.

Much credit is due Miss Marge Bier for her excellent directing of the cast.

Quizzing the cook

"YOU CAN'T TAKE IT WITH YOU"

"You Can't Take It With You" the comedy by Moss Hart and George Kaufman, was presented to the district here on November 22nd, and soon with great success. When Helen Sorenson was cast to act the leading part of Alice, because of the fact that Dorothy Rogers had to leave the cast and turned the part with her, the success was assured.

The play shows the philosophy of the average Sorenson family. You can't take anything with you if death comes any day. There is a girl named Alice who refuses to pay the income tax because she doesn't believe in it. Mr. Sorenson will write a private letter to the tax collector which will let her go, but an accident is dropped in and never let a chance exist. In the end Mr. DeForest and Mr. Sorenson were exterminated. The new tax there is the cause of the death of Alice and Tony and the wealthy Kirbys, and its outcome.

The cast will include Penelope Sorenson, Irene Sorenson, Emma, Barbara Spiller and Lillian. Other actors include Audrey Berlin and Bernard Genter. The Sorensons, Walter McBride, Mr. DeForest, John Macleod, Ed, Walter, Pauline, Donald, Robert, Spencer, Martin, Vincent, Anne, McLeister, Alice, Helen Sorenson and Dorothy have the Hendersons, Fred Brady, Tony Kirby, Robert, George, Boris, Klenz, Victor, Lord, Mr. Kirby, John McLeister, Mr. Kirby, Mary Patterson and Maudie Barn. Other Helen Louise Brady and their detective, Robert Egan, John Genter, Paul DeSola and James Butler.

Call Her Oscar

E. H. S. Players Officers

Thursday Evening

ON STAGE

E. H. S. PLAYERS

The Elgin High School Players' main project for the year was the making of a dramatics workshop out of the old library. All expense involved in the change was paid out of the Players' treasury aided by gifts from the Mask and Bauble and from the Elgin Business and Professional Women's Club.

New and outstanding activities of the year were: a costume dinner party, a social meeting with square dancing and a review of "Life with Father," the production of two of the Three-One-Acts, and two theater parties in Chicago.

The officers were: Mary Muntz, president, Audrey Berlin, vice-president, Mila Johnston, secretary; Walter McFride, treasurer; Dorothy Rovelstad, social chairman; Mary Lois Wilson, program chairman; and Miss Marge Bier-sach, sponsor.

MASK AND BAUBLE

The Mask and Bauble, the dramatics club for the underclassmen, is sponsored by Miss Helen Jocelyn and Miss Mabel Engelbrecht. The student officers this year were Charles Peterson, president, Francis Schumacher, vice-president; Shirley Lawrence, secretary; and Shirley Ohms, treasurer.

The objectives of this dramatics club are to make possible the study of the theater, as well as to teach students more about different phases of stage work, such as acting and make-up. The members also study the various kinds of plays, impersonate people, and give group and individual pantomimes. Besides this, the members found time to present one of the Three-One-Acts, "Call Her Oscar," and to plan a successful social evening in the gym.

LEGENDS AND LEDGERS

LITERATURE CLUBS

To develop in the students a deeper appreciation of fine literature, by doing things they like to do but may not do in English classes—this is the purpose of the Junior and Senior Literature Clubs

Attending a stage performance in Chicago, caroling at Christmas time, and having a party and joint Christmas program were three special activities enjoyed by the members of both clubs during the past year

Miss Elma Engelbrecht heads the Senior Literature Club; and Miss Marjorie Stoffregen, the Junior Literature Club

COMMERCIAL CLUB

The aim of the Commercial Club is to bring together socially those students who are interested in the business field. Membership is open to sophomores, juniors, and seniors who are taking at least one commercial subject. This year the club completed a project started several years ago, the purchase of a mimeoscope. "The Business Whirl," a monthly newspaper, was also edited by members

Under the able sponsorship of Mr. George Peck, the following students served as officers: Dorothy Dierking, president; Gladys Carr, vice-president; Bessie Cordogan, secretary; and Eileen Ball, treasurer

Literature Clubs

Commercial Club

Aero Club

Future Farmers of America

PROPS AND CROPS

AERO CLUB

The thrills and chill of the glories of aeronautics hold an attraction for young people having a mind for romance and excitement. The E. H. S. Aero Club helps develop this attraction into real interest by making flying models, visiting airports, and listening to aviation talks.

The meetings are held on Wednesdays, reports by the members, and a display of models. This year the club participated in the outdoor model flying contest at the Elgin Y. M. C. A.

A representative of the club participated in the Elgin Agricultural Fair. The chapter has encouraged the raising of better livestock by the purchase and farming out of a pure-bred animal. An attraction of the year was the annual Parent and Son F. F. A. Banquet, which is always looked forward to as an interesting and enjoyable event.

A representative of the Elgin chapter participated in a sectional F. F. A. public contest. A stock judging team from Elgin for the last two years participated in a Northeastern Illinois high school stock judging contest. The Elgin team, participated in the spring of 1940, carried away top honors.

F. F. A.

Corn, peas, beans, and barley. The question now is, how do they grow? Don't fret or worry; ask the Future Farmers of America.

The Elgin chapter won a number of awards this year, one of which was awarded to two of its members for the best exhibit in the Elgin Agricultural Fair. The chapter has encouraged the raising of better livestock by the purchase and farming out of a pure-bred animal. An attraction of the year was the annual Parent and Son F. F. A. Banquet, which is always looked forward to as an interesting and enjoyable event.

A representative of the Elgin chapter participated in a sectional F. F. A. public contest.

A stock judging team from Elgin for the last two years participated in a Northeastern Illinois high school stock judging contest. The Elgin team, participated in the spring of 1940, carried away top honors.

TACKLE AND TARGET

IZAACK WALTON

With the rapid disappearance of our wild life the Izaak Walton League of America has been established to study methods of preserving nature's children and to carry on programs by which all types of wild life may be re-established in woodlands and streams.

With these ideals and purposes in mind, a group of Elgin High School students has focused attention upon itself by its affiliation with and membership in the Izaak Walton League of America. Under the able supervision of Mr. Adams, their adviser, and through their own initiative, the members have carried out their part of the program.

Their greatest achievement for this year was beautifying the school by planting ivy vines.

RIFLE CLUB

The Elgin High School Rifle Club, in good standing with the National Rifle Association, is under the supervision of Kenneth Montgomery.

The purpose of the club is to teach its members the care and use of fire arms, good sportsmanship, and accuracy. Safety precautions are stressed at all times. At their weekly meetings, the boys practice marksmanship in the rifle range in the north wing of the new building. Although the members must furnish all their ammunition, the club has its own rifles, telescopes, and targets.

The organization had that capable sharp shooter, James McLaughlin, as its president and Frank Swanson as its secretary-treasurer during this past year.

Izaak Walton Club

Rifle Club

FACTS AND FIGURES

GIRLS SCIENCE CLUB

How do textiles obtain their beautiful and varied colors? What kinds of crystals are formed by the many different chemicals? The answers to these and similar questions are what the members of the Girls Science Club are interested in learning. Through the club's activities the girls increase their practical knowledge of chemistry and physics, and follow the progress of science today.

During the past year club members learned how to use the analytical balance, made chemical smoke rings, dyed cloth, and made soap. They also worked with crystals and studied their formation under the microscope. A social highlight of the year was the popcorn party in the chemistry laboratory.

Meetings are held twice a month, and a committee appointed by the group plans the activities for each meeting. The Girls Science Club is a small but active organization under the guidance of its faculty sponsor, Gilbert Renner.

MATH CLUB

The purpose of the Mathematics Club is to further the interest of the student in the mathematics of the modern scientific world and to aid him in enjoying activities and recreation of a mathematical nature. One activity the club entered into was a detailed study of the slide rule and its uses; another was the study of the stories and locations of many stars and constellations, with the aid of the school's telescope.

Among other things, the members worked puzzles, played mathematical games, and used a simple transit which was presented to the mathematics department by the club last year. Further interesting activities of the club were a trip to the Elgin National Watch Factory Observatory and a party.

The Mathematics Club is under the sponsorship of Miss Hortense Wilson and Miss Mary Peters, and it is open to anyone who is taking mathematics or who is interested in mathematics.

The officers this year were: president, Robert Tornquist; vice-president, Warren Johnson, secretary-treasurer, Charlotte Dittman.

Girls Science Club

ROMANCE IN LANGUAGE

Inter Nos

In its meetings the Latin Club presents educational material in a delightful manner. Through student-directed programs ancient Rome is made to live again in the minds of the members.

During the past year a variety of entertaining programs were given, outstanding among which was a skit presented by one of the Latin classes. An interesting event was the singing of carols in the halls at Christmas time.

The poster for the club, "Mithras," which was designed by Miss Lillian Taylor.

Der Deutsche Verein

The German Club's most interesting activity this year was the Christmas dinner, at which time German customs prevailed in music and program. Der Weihnachtsmann (Santa Claus) brought gifts for all.

Club programs included speakers, music, and movies. Special recognition was given to the five hundredth anniversary of Johannes Gutenberg. Members participated in the all-language club party and won first place in the Pep Parade.

The president was Raymond Strohm, vice-president, Frances Page, secretary, Carolyn Bennorth, treasurer, Lois Force, and sponsor, Miss Mable Engelbrecht.

Le Cercle Francais

The aim of Le Cercle Francais is to help members to learn more about French culture and language. Through the year the club has held many social events and has been very active in the regular meetings. The club has also participated in the Twelfth Night party, the Pep Parade, and the singing of Christmas carols in the halls at Christmas time.

This year's officers were: Leonard Fisher, president, Anne Jones, vice-president; Patricia Cosgrove, secretary; Robert Brown, treasurer; Marjorie Lucas, social chairman, and Miss Anne Craig, sponsor.

Home Economics Club

SNAPS AND SNACKS

PHOTOGRAPHY CLUB

The Photography Club, under the sponsorship of Robert Winn, proves very interesting to camera "fans" in our school. Lectures were given this year by professionals, concerning photographic apparatus; movie series were presented; and picture-taking contests were held in which the best "shots" were rewarded with prizes. Discussions were carried on so that experienced members might relate their problems and remedies to the beginners. Student-taken pictures were turned in at each meeting and commented upon.

Members range from persons having only inexpensive box cameras to those possessing valuable and complex equipment. When the new dark room is a reality, the club will be able to offer valuable information to those interested in developing and printing pictures.

HOME ECONOMICS CLUB

Aside from the satisfaction gained through concocting delicious pastries, the Home Economics Club members have gained practical experience from the work entailed, and much benefit from interesting social-educational activities. These experiences are a valuable asset to future homemakers.

As customary, the club's main project centered on a contribution to the home economics department. This year the department has been expanded to include a group of home management rooms; two foods laboratories, one of which is set up in unit kitchens; two clothing laboratories with fitting rooms; and the new cafeteria.

Among the many interesting projects enjoyed by the club were talks on health and personality, and demonstrations of Christmas dainties and of machine attachments.

G. A. A.

Ice carnivals, playdays, mother-and-daughter teas, and sports tournaments all help to make up the interesting year's program of the Girls Athletic Association.

This organization extends a hand of welcome to all high school girl entrants especially those interested in athletics. Awards are given on the basis of participation, health, sportsmanship, and athletic proficiency, and they are cherished by all who receive them.

This year Mary Ann Sensor was president. Other officers were Cecile Eshelman, first vice-president; Doris Helm, second vice-president; Margaret Daly, third vice-president; Audrey Berlin, recording secretary; Shirley Barnwell, corresponding secretary. Committee chairmen were Ann Pearsall, Rhoda Grupe, Frances Plath, Dorothy Rovel-

stad, Betty Poole, Delores Grupe, and Mary Patterson.

Social talent and outside speakers are presented by the G. A. A. at the regular monthly meetings. The Tea-Time Minstrel proved most entertaining with its humor and its musical selections.

This enthusiastic organization of five hundred members is sponsored by Miss Wilda Logan and Miss Helen Kettering, whose fine cooperation and assistance have made the year so successful.

The season of 1940-41 marked a milestone in the history of the G. A. A. Elgin, along with four other charter members, received a State certificate for belonging to the Illinois League of High School Girls Athletic Association for the past twenty years.

Arthur [unclear]

One of the most popular and influential organizations in Elgin High School is the "E" Club. Membership in this group is open to any boy who has won an athletic championship.

The purpose of this organization is to promote athletics in the school, to afford the monogram men a voice in the administration of athletics, to foster good sportsmanship, to encourage the development of a proper attitude in the student body, and to perpetuate the symbols for which the monogram stands in order that it may be worthy of the school it represents.

The activities of the "E" Club during the past year were ushering at the basketball games, running the check room, and officiating at track meets. The club also gave the athletic department a much needed wrestling mat. The annual initiation of new members in the fall is an event always eagerly awaited by the entire school.

"E" Club Officers

"E" Club

Senior Tri-Y

Hi-Y Council officers

HI-Y AND TRI-Y

Of all the organizations which give young men the chance to show their capacity for leadership, the Hi-Y is one of the foremost. As it has for its aim the preservation and maintenance of high standards of Christian character throughout the school and community one may easily realize the extent of the programs which such an organization might undertake. Exercising leadership, however, is only one of the many advantages the Hi-Y has to offer; fellowship is another, created among the members through a friendly atmosphere. These, then, and many more, are the profits which have been reaped from the Hi-Y through the investment of a little interest and time by its members.

The purpose of the Hi-Y is to encourage spiritual, physical, and mental development is the aim of the Hi-Y.

The Hi-Y clubs are organized for the benefit of all girls in high school, the Junior Tri-Y being composed of freshman and sophomore girls, the Senior Tri-Y of juniors and seniors. Both clubs are affiliated with the local Y. W. C. A. This year the girls rendered fine service to the community by distributing Thanksgiving baskets, and giving programs for shut-ins.

The present adviser is Mrs. Melanie Dasler assisted by Miss Cleora Johnson and Miss Marjorie Stoffregen. Senior officers include Marjorie Lucas, Virginia Garber, Anne King, and Lorraine Scott; officers of the Junior club are Shirley Laurence, Marion Rahn, Lucille Rippberger, and Fern Schoonhoven.
